

# KALEAB MITKU

## Software Engineering

Exit Exam - Passed | 60%

### Personal Details

Full Name

Kaleab Mitku Minwuye

Email Address

kaleabmitku00@gmail.com

Phone Number

+251900158092

Nationality

Ethiopian

Address

Amhara, Ethiopia

Gender

Male

Marital Status

Single

Age

24

Birth date

05/11/1993

### Certificates

- Employability skill and job readiness from Dereja.com
- Fundamentals for Computer Skill from CISCO

### Interests and Hobbies

- Listening to Podcasts
- Writing & Sharing Knowledge
- Problem Solving
- Building Tech Solutions
- Learning New Technologies

### Language

Amharic : Native

English : Fluent

### About Me

I am a passionate and self-motivated Software Engineering graduate with strong experience in full-stack web development. My technical skills focus on building scalable and user-friendly applications using Angular, NestJS, and other modern technologies. But beyond just writing code, I am deeply driven by a love for solving real-world problems, creating impactful digital solutions, and continuously learning in a fast-evolving tech world.

What sets me apart is not just my knowledge, but my mindset. I approach every task with focus, discipline, and a strong work ethic. I value clean architecture, detail-oriented design, and teamwork. Whether I'm working independently or collaborating with others, I bring creativity, responsibility, and a commitment to quality in everything I do.

I believe that great software is not only about functionality—it's about purpose. My goal is to keep growing as a developer, contribute meaningfully to every project I'm part of, and build solutions that make a difference.

### Skills

- Team collaboration and communication
- Ability to work independently and remotely
- Communication Skills,
- Fullstack developer
- Quick learner, always eager to grow
- Self-discipline and time management
- Adaptability
- Basic Computer like MS Office (word, excel, powerpoint quick typing)

### Education | Computing and Software Engineering

BA Degree | 2021- 2025

Arba Minch University

B.A Degree in Software Engineering.

CGPA | 3.28

• Primary Education - Aba Motsa Primary School

• Secondary Education -Motta Secondary School

• Preparatory Education:- Motta Preparatory School

### Research Title

Book Sharing and Recommendation System for AMU

### Internship | Experince

Teleport Technology PLC for 6 months in Addis Ababa
