

# KALEAB MITKU

## Software Engineering

Exit Exam - Passed

### Personal Details

Full Name

Kaleab Mitku Minwuye

Email Address

kaleabmitku00@gmail.com

Phone Number

+251900158092

Nationality

Ethiopian

Address

Amhara, Ethiopia

Gender

Male

Marital Status

Single

Age

24

Birth date

05/11/1993

### About Me

I am a passionate and self-motivated Software Engineering graduate with strong experience in full-stack web development. My technical skills focus on building scalable and user-friendly applications using Angular, NestJS, and other modern technologies. But beyond just writing code, I am deeply driven by a love for solving real-world problems, creating impactful digital solutions, and continuously learning in a fast-evolving tech world.

What sets me apart is not just my knowledge, but my mindset. I approach every task with focus, discipline, and a strong work ethic. I value clean architecture, detail-oriented design, and teamwork. Whether I'm working independently or collaborating with others, I bring creativity, responsibility, and a commitment to quality in everything I do.

I believe that great software is not only about functionality—it's about purpose. My goal is to keep growing as a developer, contribute meaningfully to every project I'm part of, and build solutions that make a difference.

### Skills

- Full-Stack Web Development with Angular (frontend) and NestJS (backend)
- Strong command of HTML, CSS, JavaScript, TypeScript, and modern frameworks
- Proficient in building RESTful APIs and scalable, component-based architectures
- Experience with databases: MongoDB, MySQL, and PostgreSQL
- Familiar with tools like GitHub, GitLab, Azure DevOps, and Jira for agile workflows
- Skilled in Microsoft Office Suite: Word, Excel, and PowerPoint for documentation tasks
- Adept at writing, data encoding, and document processing with 1+ years of experience
- Reliable team player with strong communication, honesty, and adaptability

### Education | Computing and Software Engineering

BA Degree | 2021- 2025

Arba Minch University

B.A Degree in Software

Engineering.

• Primary Education - Aba Motsa  
Primary School

• Secondary Education -Motta  
Secondary School

• Preparatory Education:- Motta  
Preparatory School

### Certificates

- Employability skill and job readiness from Dereja.com
- Fundamentals for Computer Skill from CISCO

### Interests and Hobbies

- Exploring new technologies and improving coding skills
- Building personal brand and offering freelance tech services
- Assisting others with CVs, resumes, and job readiness
- Designing user-friendly UIs and modern digital portfolios

### Language

Amharic : Native

English : Fluent

### Research Title

Book Sharing and Recommendation System for AMU

### Internship | Experince

- ✓ Worked at Teleport Technology PLC in Addis Ababa for 6 months as a Full-Stack Developer.
- ✓ Developed a full-stack Book Sharing and Recommendation System using Angular and NestJS.
- ✓ Developed a full-stack ShopEase Manager using Angular and NestJS.
